ISBM in Jokey ERP is similar to Bucket&Lids, there are just few changes which need to be known. Basic change is that names of products and tools includes not only volume as we used to, but also weight number.

## 1. TOOLS

Tools in Jokey ERP are registered as follows:

	Tool no.	Short description	Search term	Category	Plant	Energiefakt	Weight n	weight plastic handle	Weight	total plastic handle	total BB	2K handle	Rem
1	WZJB15019-01	JB15019-01	JB15019-01	D	PL	0,00	19,00	0,00	0,00	19,00	19,00	0
